3 To facilitate the clearance of permits for other poultry and poultry products, the following additional attestations are required to be included in the veterinary health certificate accompanying the import of poultry and poultry products:

(a) Highly pathogenic avian influenza (HPAI) is a notifiable disease in Poland.

(b) The birds from which the meat was sourced were not vaccinated against avian influenza (AI).

(c) The poultry meat and meat products were not derived from birds originating from the protection and surveillance zones established in Poland due to occurrence of avian influenza.

(d) The poultry from which the meat was derived were born, raised, and slaughtered in Poland, or were legally imported as day old chicks from countries with equivalent poultry health status.

4 Please contact [www.sfa.gov.sg/feedback](http://www.sfa.gov.sg/feedback) should you have any enquiries on the import of poultry and poultry products.
