Meat and Egg Traders

Dear Sir/Madam

H5N1 HIGHLY PATHOGENIC AVIAN INFLUENZA (HPAI) IN UK AND RESUMPTION OF POULTRY AND POULTRY PRODUCTS FROM UK DUE TO LIFTING OF HPAI RESTRICTIONS

The United Kingdom reported an outbreak of H5N1 highly pathogenic avian influenza (HPAI) in commercial poultry farms of 2 regions and the resolution of HPAI in several regions.

[A] H5N1 HIGHLY PATHOGENIC AVIAN INFLUENZA (HPAI) IN UK

2 In view of the outbreak, the National Parks Board/Animal & Veterinary Service (NParks/AVS) will impose a temporary restriction on the importation of poultry and poultry products from the 10km radius restricted area around the affected premises in the affected regions. Heat-treated poultry products which comply with the World Organisation for Animal Health (WOAH) guidelines for inactivation of AI virus will not be subjected to the restriction.

3 Poultry consignments exported from the affected areas listed below that meet the indicated slaughter and export dates will continue to be accepted for import.

Region	Slaughter Date	Export Date
Near Scunthorpe, North Lincolnshire, Lincolnshire - AIV 2023/29	Before 2 May 2023	Before 16 May 2023
Near Uckfield, Wealdon, East Sussex - AIV 2023/30	Before 4 May 2023	Before 18 May 2023

4 In order to facilitate the clearance of permits for poultry and poultry products, we would require the following attestations to be included in the veterinary health certificate accompany the import of poultry and poultry products:

- a) Highly pathogenic avian influenza (HPAI) is a notifiable disease in the United Kingdom.

- b) The birds from which the meat was sourced were not vaccinated against avian influenza (AI).
- c) The poultry and poultry products were not derived from birds originating from areas within the 10 km radius restricted area around a highly pathogenic avian influenza affected farm.
- d) The poultry from which the meat was derived were born, raised, and slaughtered in the UK, or were legally imported as day old chicks from countries with equivalent poultry health status.

[B] RESUMPTION OF POULTRY AND POULTRY PRODUCTS FROM UK DUE TO LIFTING OF HPAI RESTRICTIONS

5 Additionally, we are pleased to inform you that the import of poultry and poultry products from the 10km surveillance zones around the infected premises, as detailed in **Annex**, in may resume with immediate effect:

6 Please contact www.sfa.gov.sg/feedback should you have any enquiries on the import of poultry and poultry products.
