Lifting of suspension of On & On Diners Pte Ltd (8A Admiralty St #06-38 and #06-20, Food Xchange @ Admiralty Singapore 757437)

The Singapore Food Agency (SFA) has lifted the suspension of On & On Diners Pte Ltd's (8A Admiralty St #06-38 and #06-20, Food Xchange @ Admiralty Singapore 757437) food business operations today. As the licensee has implemented the required measures as stipulated by SFA, operations can be resumed.

2 The Ministry of Health (MOH) and SFA received reports of gastroenteritis involving 73 persons after consuming food prepared by On & On Diners Pte Ltd between 16 and 18 November 2021. None were hospitalised. To protect consumers from further public health risks, the food business operations of On & On Diners Pte Ltd was suspended by SFA from 23 November to 24 December 2021.

Measures taken by On & On diners Pte Ltd

3 During the suspension period, On & On Diners has complied with measures stipulated by SFA. The company has disposed all ready-to eat food, thawed food and perishable food items, and cleaned and sanitised their premises, including equipment and utensils, and disinfected food preparation surfaces, tables and floors.

Continuing surveillance

4 Following the lifting of suspension, SFA will continue to place On & On Diners Pte Ltd under close surveillance to ensure that they adhere to food safety requirements.

Public advisory

5 Food safety is a joint responsibility. SFA would like to remind food operators to observe good food and personal hygiene practices at all times. SFA will not hesitate to take firm action against anyone found to be in violation of the Environmental Public Health Act. In the interest of maintaining a high standard of food hygiene at all food establishments, we would also like to advise members of the public who come across poor hygiene practices in food

establishments not to patronise such outlets but to report to SFA via the online feedback form (www.sfa.gov.sg/feedback) with details for our follow-up investigations.

6 To prevent the spread of disease and protect oneself from acquiring infections, individuals should practice good personal hygiene at all times. These include:

- Washing hands with soap and water before eating and after going to the toilet;
- Covering mouth and nose with a tissue when coughing or sneezing, and throwing the tissue away into a bin immediately; and
- Not sharing food/drinks, eating utensils, toothbrushes or towels with others.
