

Recall of “Le Gall” Cream Cheese products due to presence of Ethylene Oxide

The European Commission Rapid Alert System for Food and Feed (RASFF) has issued a notification on the recall of “Le Gall” Cream Cheese products from France due to the presence of ethylene oxide (a pesticide).

2 As the implicated products were imported into Singapore, the Singapore Food Agency (SFA) has directed two importers, M/s Classic Fine Foods (S) Pte Ltd & M/s Angliss Singapore Pte Ltd to recall the products. The recall is ongoing.

3 Consumers who have purchased the implicated product are advised not to consume it. Those who have consumed the implicated products and have concerns about their health should seek medical advice.

Details of the products are as follows:
