

Updated media release:

Updated on 25 January 2023: Further to our media release on 22 January 2023, the Singapore Food Agency (SFA) has extended the recall to include two additional Jay and Joy products from France due to possible presence of *Listeria Monocytogenes*. This follows an additional alert from the European Commission Rapid Alert System for Food and Feed (RASFF) on the two other implicated products.

SFA has directed the importer, Eurolink Nutrition Pte. Ltd. to recall these products. The recall is ongoing.

Consumers who have purchased the implicated products are advised not to consume it. Those who have consumed the implicated products and have concerns about their health should seek medical advice. Consumers may contact their point of purchase for enquiries.

Details of the products are as follows:

<p>Product name: Jeta Frais</p> <p>Batch code and Use by Date: All batches and use by dates between 14 Jan 2023 and 30 Mar 2023</p> <p>Country of origin: France</p>	
<p>Product name: ParmiJoy</p> <p>Batch code and Use by Date: All batches and use by dates between 14 Jan 2023 and 30 Mar 2023</p> <p>Country of origin: France</p>	

SFA recalls various Jay and Joy products from France due to possible presence of *Listeria monocytogenes*

The [Food Safety Authority of Ireland \(FSAI\) has issued a notification*](#) on the recall of various Jay and Joy products from France, due to the possible presence of *Listeria monocytogenes*.
