

PESTICIDE OPERATOR'S CERTIFICATE

APPLICATION INFORMATION

1. Eligibility

Applicant must be 18 years of age and above, who is a fit and proper person to be entrusted to use pesticides safely, and is able to read and understand instructions on a pesticide label.

The applicant will be informed to sit for a written (multiple choice) proficiency test at the SFA.

Applicant who passes the test and has successfully undergone a medical examination will then be approved by the Director-General, Food Administration as a certified pesticide operator.

2. Validity

The certificate is valid for 3 years and should be renewed prior to expiry. The pesticide operator is required to sit and pass the SFA proficiency test prior to the renewal of the certificate.

3. Fee

The Licence Fee for 3 years is S\$210.00. Payment can be completed via AXS machine, AXS online E-Services or interbank GIRO in order for the Licence to be issued.

4. Application Form

An online application form is available at SFA's [website](#). It would take an estimate of 3 working days to process a completed application. A system generated number will be sent to the applicant's email upon submission. The applicant will be informed as to whether his / her application is approved by the Authority.

5. Documents required

Supporting documents should be submitted together upon submission. Supporting documents includes the following:

- a) A clear copy of applicant's front and back of the NRIC (Singaporean / Singapore PR) or Employment Pass / S Pass / Work Permit (Foreigner);
- b) A copy of the valid Farm Licence (if applicable);
- c) Duly completed Certificate of Fitness (**Annex A**); and
- d) Lab test result on red blood cell acetyl cholinesterase estimation

6. Changes to application information

The applicant shall inform SFA in writing of any change in the application information within 30 days of the change.
