

Applying for GIRO Arrangements with SFA to facilitate seamless licence renewal

Date: 4 Oct 2023

Platform: Engagement Session

Renewal of SFA Licence

- For renewal of licence, SFA's licensing system (LicenceOne) will send three renewal notices to operators licensees via email 8, 6 and 2 weeks before licence expiry. Therefore, **please keep the email addresses registered in LicenceOne updated.**
- Operators **should make payment to renew their licence before they expire.** Operators can pay via (i) **GIRO**, (ii) **GoBusiness/LicenceOne e-payment** or; (iii) **AXS**. If no payment is made by expiry date, the licence **will expire.**
- Operators will **not** be able to renew the licence after expiry. They are required to **submit a new application.**
- Operators that continue to operate after licence expiry would have committed an offence that is subject to a fine of up to \$10,000. The operators will be required to stop operations until they have obtained a new licence from SFA.

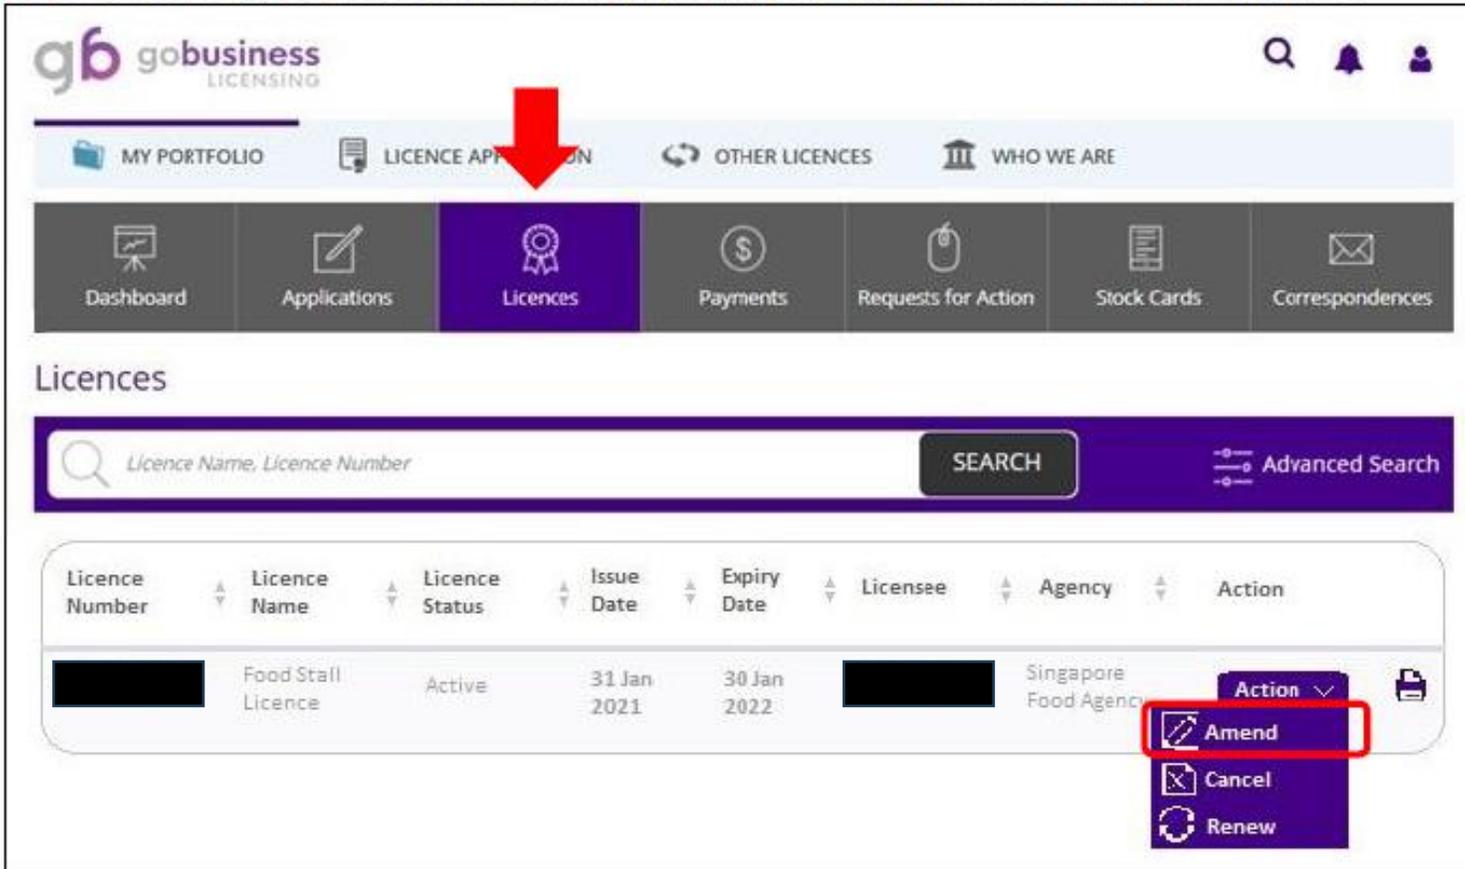

Do you know?
Around 10 licensed retail food establishments receive enforcement action for operating w/o renewing their licences every month.

Key common cause on why licences were not renewed before expiry:
Oversight by licensee – missing out on renewal dates unknowingly

To ensure that you receive the notifications for licence renewal, please update your email address in GoBusiness/LicenceOne:

After logging in, you will see your dashboard. Click on "Licences".
Select the relevant licence. Click Action » Amend.

Please note that if your licence is due/pending renewal, you will not be able to amend your licence.

The screenshot shows the GoBusiness Licencing dashboard. The 'Licences' menu item is highlighted in purple. Below the dashboard, there is a search bar for 'Licence Name, Licence Number' and a 'SEARCH' button. A table of licences is displayed with columns: Licence Number, Licence Name, Licence Status, Issue Date, Expiry Date, Licensee, Agency, and Action. The first row shows a 'Food Stall Licence' with an 'Active' status, issued on 31 Jan 2021 and expiring on 30 Jan 2022. The 'Action' dropdown menu for this licence is open, showing options: Amend (highlighted with a red box), Cancel, and Renew.

Licence Number	Licence Name	Licence Status	Issue Date	Expiry Date	Licensee	Agency	Action
[REDACTED]	Food Stall Licence	Active	31 Jan 2021	30 Jan 2022	[REDACTED]	Singapore Food Agency	Action ▾ Amend Cancel Renew

Please Note

Ensure that your new email address and hand phone numbers are updated into the Licence.

To help operators renew their licences and avoid inadvertently committing regulatory offences, SFA strongly encourages all licensees to apply for GIRO arrangements

- GIRO auto payment is the **most convenient way** to pay for licence fees and renew the SFA licences. It enables seamless renewal as licensees only need to ensure that their GIRO-linked bank account is active and has sufficient funds.
- It avoids the scenario of licence expiry if payment is not made by the due date as **deduction is automatic** (at around 21 days before licence expiry).
- This would be **especially useful for licensees that are managing multiple SFA licences** with different validity periods and renewal dates.
- For licences issued to individuals or sole-proprietorships, they should **clear the CPF Medisave arrears** well ahead of licence renewal.

If you are keen to sign up for GIRO arrangements, more details can be found on our website:

Note: Please use other payment modes to make payment for any ongoing transactions with SFA as it takes time (**up to 8 weeks**) for the GIRO application with the respective banks to be approved.

For GIRO arrangement using DBS/POSB bank accounts (Not applicable for Corporate bank account)

If you have an internet banking account with DBS/POSB, you can submit the application online directly to the bank through internet banking. Please indicate your SFA customer reference number (UEN/NRIC/FIN) under the [Bill Reference] field when applying for GIRO arrangement.

For GIRO arrangement using all other bank accounts

Please download the [GIRO application form](#), complete it and mail it to SFA.

Please note that if you are a hawker stall operator, you do not need to sign up for GIRO with SFA. Instead, you should have GIRO with NEA which also allows you to pay your tenancy fees. NEA and SFA will handle the licence fee deduction backend. See slide 10, FAQ 8.

Please also be reminded to print and display your licence decals:

- Licensees are required to **display the licence decals prominently** to enable patrons to determine the licence status of the establishment
- Since Jan 2022, SFA has transited **to issuing licences digitally** to enable businesses to commence operations more expeditiously without waiting for the licence decal to be posted to them.
- Hardcoded data on the detail is also kept to just the essentials, which data refreshed periodically is accessible via the QR code on the decal. **This allows the licence to be evergreen**, without needing to be reprinted after subsequent licence renewals.
