

CLOSE OF TENDER FOR TWO SEA SPACE PARCELS FOR FISH FARMING IN THE SOUTHERN WATERS

The Singapore Food Agency (SFA) has closed the tender for two sea space parcels for fish farming in the Southern Waters today. The sea space parcels were launched for public tender on 18 Jan 2024 and were offered for sale on a 20+10-year lease term.

2. SFA received one bid for the two sea space parcels. Details of the bid received can be found in **Annex 1**.
3. This is not an announcement of tender award. A decision on the award of the tender will be made after the tender proposal has been evaluated, and it will be announced at a later date.
4. SFA, together with other stakeholders, will continue to assess industry feedback and review our plans for the sea spaces. We will notify all interested parties on the launch of future sea space tenders.
